

TUTORIAL FOR 100% WEARABLE TWO TONE LIPSTUTORIAL ZA 100% NOSIVE DVOBOJNE USNE

Posted on **May 07,2012** by **Martina**

I present you 100% wearable two tone lips Look for Summer '12. Without thinking if you can kiss someone, drink or eat - your lips will remain your trademark. This Look is very effective, easy to do, it seems special and most importantly - long lasting. To recreate this Look you will need two lip liners in your favorite colors and two shades of eye shadows in similar colors. I picked orange and red. <http://www.martinstyle.com/wp-content/uploads/2012/05/P50611483.jpg> Let's begin!

Predstavljam Vam provjereno 100% nosivi Look dvobojnih usana za Ljeto 2012. godine. Možete se ljubiti, oblizati, piti, jesti, ali Vaše ?e usne ostati Vaš zaštitni znak. Vrlo efektivno, jednostavno za napraviti, a izgleda posebno i što je najvažnije dugotrajno. Sve što ?e Vam trebati su dvije dugotrajne olovke za usne u Vama najdražim bojama i dva sjenila sli?nih im nijansama.
