This is one of four different shades from BIG CITY

LIFE, limited edition, by Catrice Cosmetics released this Spring. Nail polish is very opaque, long lasting with a new, wide brush. Personally I really like this shade, it's one of my favorite.

Ovo je jedna od četiri različite nijansi iz limitiranog izdanja BIG CITY LIFE koju je Catrice izbacio na proljeće. Lak je vrlo neproziran, dugotrajan, s novom, širom etikicom. Osobno mi se jako sviđa ova nijansa, jedna od mojih omiljenih.
