

GREEN & GREENZELENO I ZELENO

Posted on August 06, 2012 by Martina

Today I'm wearing **Green & green** on my nails.

Two nail polishes that I wore a lot this Summer. Lighter shade is nail polish by Sephora, **Lime cocktail** and a darker one is by Catrice, **Jade is not my name**. Both polishes are opaque in one coat and they are super easy to apply, but I always do two coats, just to be sure it looks good on photo. Martina, Alter Ego Style

Danas na noktima nosim **Zeleno i zeleno**.

To su dva laka koja sam dosta nosila ovo ljeto i stvarno mi je jako svidaju. Svjetlija nijansa je Sephora lak za nokte u nijansi **Lime cocktail**, a tamnija Catrice **Jade is not my name**.

Oba laka su neprozirna ve? s prvim nanošenjem, ali ja nekako iz navike stavljam uvijek dva sloja kako bih bila sigurna da će na fotkama dobro izgledati.
