

REVIEW OF RIMMEL MATTE LIPSTICKS by KATE MOSS (AUTUMN '12) RECENZIJA RIMMEL MATTE LIPSTICKS by KATE MOSS (AUTUMN '12)

If you read me, you already noticed that these lipsticks are in my favorites of The Year 2012. I am so impressed with these lipsticks and one of the best things about them is their price. For only 45,99 HRK you will buy an outstanding product. Considering, most high street matte lipsticks I've tried leave my lips dry, flaky and show up any dry skin, these glide on like silk and feel really moisturizing. These lipsticks also smell lovely, a light scent which disappears once you apply. I hadn't tried any of the other Rimmel Kate Moss lipsticks before so this was really a pleasant surprise! Lipstick that I bought at Muller is shade No.111 Kiss of life.

Ako me pročitate? Kate, onda ste primjetili da je ova kolekcija ruževa me?u mojim favoritima u 2012. godini. Osim svojom kvalitetom, ovi ruževi dodatno impresioniraju upravo svojom cijenom. Za samo 45,99 kuna (Muller) kupiti ?ete genijalan ruž za usne koji se može usporediti i sa pet puta skupljim ruževima koje sam do sad probala. Op?enito, nekako s mat formulama dolazi i isušivanje usnica, no kod ovog proizvoda taj problem ne postoji jer svojom svilenkastom formulom odaje dojam veoma hidratantnog ruža. Kako do sada nisam probala niti jedan ruž iz prijašnje Rimmel Kate Moss kolekcije, ovaj ruž mi je bio predivno iznena?enje. Nijansa koju sam kupila je broj 111 Kiss of Life.
