1. GREED: What is your most inexpensive beauty item? What is your most expensive? Most inexpensive are definitely Yelizul Fashion nail polishes. I have like 10 of those, quite solid nail polishes cost only 6 HRK (under 1 euro). Most expensive beauty items are from preparative cosmetics - Biotherm Skin Energetic line - one of my favorites of the year - read more [here](#).

2. WRATH: What beauty products do you have a love/hate relationship with? What product has been the hardest to get?
